

## **Academic and Research Activities 2012**

### **Symposia and Speaking:**

- Jan 20: Key Note Speaker, Intuitive Surgical World Wide Sales Meeting. Title: Robotic Surgery in Urology-2012. Dallas, TX
- Jan 26-28: Invited Faculty, AUA Advanced Laparoscopic and Robotic Urologic Oncology Course  
UC Irvine, Orange, CA
- Feb 4-7: Key Note Speaker, National Bladder and Kidney Cancer Symposium  
Melbourne, Australia  
Titles: Surgical Approaches to daVinci Partial Nephrectomy  
Flourescence Imaging During Robotic Partial Nephrectomy  
How and Why Robotic Partial Nephrectomy  
Limits of Nephron Sparing Robotic Partial Nephrectomy
- March 10: Invited Faculty, Washington University at St. Louis Robotic Radical Prostatectomy and Partial Nephrectomy  
Las Vegas, NV  
Titles: Robotic prostatectomy of high risk disease  
Retroperitoneal robotic partial nephrectomy
- March 16: Invited Faculty, Irish Robotics Surgery Symposium  
Galway, Ireland  
Titles: Robotic partial nephrectomy: trans and retro approaches  
Robotic RPLND for testicular cancer
- Mar 22-24: Featured Speaker, Robotics Master Class for Uro-oncology and Pelvic Reconstruction  
San Diego, CA  
Titles: Patient selection and tools for robotic partial  
Complex cases and getting out of trouble  
New technologies for robotic partial nephrectomy  
Retroperitoneal robotic partial nephrectomy

- April 6-7: Featured speaker, The Queen's Medical Center Minimally Invasive Surgery Symposium  
Honolulu, Hawaii  
Titles: Retroperitoneal robotic partial nephrectomy  
New technologies in robotic partial nephrectomy  
Robotic RPLND for testicular cancer
- April 21: Featured Speaker, Japan Urological Association Meeting  
Yokohama, Japan  
Title: Robotic Surgery Adoption in the USA-10 Year Review
- April 28: Invited Speaker, Swedish Bloodless Program  
Seattle, WA  
Title: Robotic Surgery at Swedish Medical Center
- May 20: AUA Annual Meeting Post Graduate Course  
Atlanta, GA  
Title: Robotics-getting started
- May 21: Plenary speaker, AUA Annual Meeting Plenary Session  
Atlanta, GA  
Title: Retroperitoneal Robotic Partial Nephrectomy
- May 30: Lecture to Ohio Health Administration  
Title: Growing a Robotic Surgery Program
- August 2: Advanced Robotic Urology and Prostate Cancer Update  
Napa, CA  
Lecture: Robotic Partial Nephrectomy: Challenging Cases
- Sept 5-7: World Congress of Endourology  
Istanbul, Turkey  
Debate Participant: Lap vs. Robotic Partial Nephrectomy:  
Which Way is Better? Pro robotics  
Debate Moderator: Lap vs. Robotic RPLND  
Debate Moderator: Robotic Radical Cystectomy: Is it Now the  
Standard of Care?  
Live Surgery: Robotic retroperitoneal parital nephrectomy

- Sept 14-15: Course Director, 2<sup>nd</sup> Pacific Northwest Robotics Urology Symposium, Seattle Science Foundation  
Seattle, WA  
Live Surgery: Transperitoneal Robotic Partial Nephrectomy  
Live Surgery: Retroperitoneal Robotic Partial Nephrectomy  
Live Surgery: Robotic Prostatectomy
- Sept 26: Live Surgery: European Robotic Urology Society  
London, England  
Case: Retroperitoneal robotic partial nephrectomy
- Oct 9: Live Surgery: Western Section AUA  
Retroperitoneal Robotic Partial Nephrectomy
- Oct 18-19: Visiting Professor, OHSU Dept of Urology  
Portland, OR  
Live Surgery: Transperitoneal Partial Nephrectomy  
Live Surgery: Retroperitoneal Partial Nephrectomy  
Lecture: Robotic Surgery: Beyond the Prostate
- Oct 26: Invited faculty, Robotic Kidney and Adrenal Surgery Symposium, Cleveland Clinic  
Cleveland, OH  
Title: Robotic partial nephrectomy: trans or retro approach
- Nov 1: Featured Speaker, Kaiser Permanente Robotics Course  
Las Vegas, Nevada  
Title: Robotic Partial Nephrectomy: State of the Art  
Robotic Partial Nephrectomy: Challenging Cases
- Dec 7-8: Northwest Urological Society Meeting  
Seattle, WA  
Presentations: Robotic Prostatectomy for High Risk Prostate Ca  
Robotic Nephroureterectomy  
Fluorescence Imaging During Robotic Partial Nephrectomy  
1<sup>st</sup> Place Award: Robotic Partial Nephrectomy for Complex Renal Tumors
