

Academic 2013

- Jan 7-8: Featured Speaker, Intuitive Surgical World Wide Sales Meeting.
European Sales Force
Dallas, TX
- Jan 21-23: Invited Faculty, International Symposium on Advanced Robotic
Techniques in Urology. University College London
London, England
Titles: Extended Pelvic Lymph Node Dissection: Balancing the Risk and
Benefits
Robotic Partial Nephrectomy: Trans or Retroperitoneal Approach
Latest Technology and Technique for Tumor Localization and Resection
Techniques for Optimal Oncological Outcome in Robotic
Nephrourectomy
Technique of Robotic Retroperitoneal Lymph Node Dissection
- Jan 26: Invited Faculty, Japan Robotics Master Class
Tokyo, Japan
Titles: Improving Oncological Outcomes: Reducing Positive Margins and
Evaluating the Radicalness of Dissection
Techniques to Improve Urinary Continence During Robotic Prostatectomy
Nerve Sparing Techniques During Robotic Prostatectomy
Surgical Approaches to Robotic Partial Nephrectomy
- Feb 7-9: Invited Faculty, Intermountain Excellence in Urology Symposium
Park City, Utah
Lectures: Robotic RPLND for Testicular Cancer
Selective Arterial Clamping During Robotic Partial Nephrectomy
Retroperitoneal Robotic Partial Nephrectomy
- March 16: Invited Lecturer, Meet the Experts Lecture
European Association of Urology Annual Meeting
Milan, Italy
Lecture: Retroperitoneal Partial Nephrectomy
- March 17: Case Moderator, European Association of Urology
Milan, Italy
Robotic partial nephrectomy
- March 18: Invited Surgeon and Proctor, Urologische Klinik Grosshadern
Ludwig-Maximilians-Universität (LMU)
Munich, Germany
Robotic prostatectomy
Robotic retroperitoneal partial nephrectomy

- March 19: Invited Surgeon and Proctor, Klinikum rechts der Isar der Technische Universität, Urology
Munich, Germany
Retroperitoneal partial nephrectomy
Robotic prostatectomy
- March 20: Invited Surgeon and Proctor, SLK-Kliniken Heilbronn GmbH
Heilbronn, Germany
Retroperitoneal partial nephrectomy
- April 18-19: Visiting Professor, Henry Ford Hospital, Department of Urology
Detroit, Michigan
Lectures: Retroperitoneal Robotic Surgery
Robotic RPLND for Testicular Cancer
Live surgery: Robotic retroperitoneal partial nephrectomy
- May 1-2: Invited Faculty, LA Live-International Live Surgery Robotics Symposium
USC, Los Angeles, CA
Lecture: Robotic RPLND for Testicular Cancer
- May 3: Invited Faculty, AUA Hands-on Robotic Renal Surgery Course
San Diego, CA
Lectures: Surgical Approaches to daVinci Partial Nephrectomy
- May 4: AUA National Meeting, San Diego, CA
Video Presentation: Robotic RPLND for Testicular Cancer
AUA Best Video Award, Honorable Mention
- May 5: Invited Faculty, AUA Annual Meeting Post Graduate Course
San Diego, CA
Title: Robotic Renal Surgery-getting started
- May 6: Invited Faculty, AUA Annual Meeting, San Diego, CA
Robotic Renal Surgery Course
Lecture: Tips and Tricks for Robotic Renal Surgery
- May 8: AUA Annual Meeting Plenary Session
San Diego, CA
Liver Surgery: Robotic Partial Nephrectomy
- June 20-22: Visiting Professor, Tulane Medical Center, Department of Urology
New Orleans, LA
Lectures: Robotic RPLND for Testicular Cancer
Extended Pelvic Lymph Node Dissection During Robotic Prostatectomy
Retroperitoneal Robotic Partial Nephrectomy
Imperative Indications for Robotic Parital Nephrectomy

- Live surgery: Robotic retroperitoneal partial nephrectomy
Robotic retroperitoneal radical nephrectomy
- June 26-27: Robotic Partial Nephrectomy Masters Class, Paris, France
Lecture: Retroperitoneal robotic partial nephrectomy
Invited Surgeon: Diaconesses - Croix St Simon Hospital, Depart of Urol
Robotic retroperitoneal partial nephrectomy-left
Robotic retroperitoneal partial nephrectomy-right
- Sept 4-5: European Robotic Urology Symposium, Stockholm, Sweden
Invited Surgeon: Karolinska Institute
Robotic retroperitoneal partial nephrectomy
- Sept 20-21: 3rd Annual Pacific Northwest Urology Robotics Symposium
Seattle Science Foundation, Seattle, WA
Course Director
Live Surgery: Transperitoneal Robotic Partial Nephrectomy
Retroperitoneal Robotic Partial Nephrectomy
Robotic Prostatectomy
- Oct 22-26: World Congress of Endourology, New Orleans, LA
Panel Discussion: Difficult Clinical Scenarios in Renal Cell Carcinoma
- Dec 6-7: Deutschland Robotic Urology Symposium, Essen, Germany
Lecture: Retroperitoneal Robotic Partial Nephrectomy
Invited Surgeon: Robotic Retroperitoneal Partial Nephrectomy
- Dec 9: Visiting Professor, University of Heidelberg, Dept of Urology
Heidelberg, Germany
Lecture: Surgical Approaches for Robotic Partial Nephrectomy
Invited Surgeon: Robotic Retroperitoneal Partial Nephrectomy
Robotic Transperitoneal Partial Nephrectomy
