

Academic 2016

- Jan 27-28 4th Techno-Urology Meeting
Orbassano, Italy
Invited faculty
Live surgery: Robotic Retroperitoneal Partial Nephrectomy
- March 3-6 41st Annual UCLA State of the Art Urology
Los Angeles, California
Invited faculty
Lectures: Surgical Approaches for Robotic Partial Nephrectomy
Challenges in Robotic Prostatectomy
Robotic Partial Nephrectomy for Complex Tumors and Imperative Indications
Robotic RPLND for Testicular Cancer
- March 10-16 European Association of Urology Annual Meeting
Munich, Germany
Invited faculty
Live surgery: Robotic retroperitoneal partial nephrectomy
Live surgery moderator
Lecture: Surgical Approaches for Robotic Partial Nephrectomy
- March 17-20 Southeastern Section AUA Annual Meeting
Nashville, Tennessee
Invited faculty
Lectures: Robotic RPLND
Surgical Approaches for Robotic Partial Nephrectomy
- May 4-10 American Urologic Association Annual meeting
San Diego, California
Invited faculty
Lecture: Retroperitoneal Robotic Partial Nephrectomy
Society of Urologic Robotic Surgery Meeting: Program Chair & President
Plenary session live surgery: Robotic Post Chemotherapy RPLND
- June 16 Fundacio Puigvert Medical Center
Barcelona, Spain
Invited Speaker
Lecture: Robotic Retroperitoneal Partial Nephrectomy
- Aug 4-5 2nd Advanced Robotic Urology and Prostate Cancer Update
Napa, California
Course Co-Director
Lectures: Robotic Surgery Training and Credentialing

Transperitoneal vs. Retroperitoneal Approaches for Robotic Partial Nephrectomy

Robotic Partial Nephrectomy: Selective Clamping with Firefly

Robotic Partial Nephrectomy for Completely Intrarenal Tumor

Robotic RPLND Using the daVinci Xi

- Sept 14-16 13th Annual European Robotic Urologic Symposium
Milan, Italy
Invited faculty:
Live surgery: Robotic RPLND
- Sept 30 Robotic Partial Nephrectomy- Techniques for Improving Outcomes- Live
Case Tips & Tricks II
OhioHealth Dublin Methodist Hospital
Dublin, Ohio
Invited faculty
Lecture: daVinci Si to Xi for Robotic Partial Nephrectomy
- Oct 13-14 Robotic Urologic Oncology on the Green
La Jolla, California
Course Co-Director
Lectures: Tips and Tricks for Robotic Prostatectomy
Extended Pelvic Lymph Node Dissection for Prostate Cancer
Robotic Renal Surgery: Setup and Benefits of Each System
Retroperitoneal Approach for Robotic Partial Nephrectomy
Robotic Partial Nephrectomy: Imperative Indications
- Oct 21 8th Annual International Symposium on Robotic Urologic Surgery
Cleveland Clinic, Cleveland, Ohio
Invited faculty
Lecture: Robotic Retroperitoneal Partial Nephrectomy: daVinci Si to Xi
Robotic Prostatectomy: Video Tips and Tricks
- Oct 23-28 Western Section AUA Meeting
Kauai, HI
Invited faculty
Lectures: Renal Mass Biopsy for Small Renal Masses: Con
Prostate Cancer: A Surgeon and Patient Perspective
- Nov 9-12 World Congress of Endourology 2016
Capetown, South Africa
Planning Committee and Invited Faculty
Society of Urologic Robotic Surgery Meeting: Program Chair and Society
President
Lectures: Retroperitoneal Robotic Surgery- The Other Approach

Report from the Society of Robotic Urologic Surgery
Satellite symposium: Innovations in Robotics- session moderator
Video session: Robotic prostatectomy

Nov 13 Arthur Smith Festschrift
 Kapama, South Africa
 Invited faculty
 Lecture: The Elephant in the Room: Robotic RPLND for Testicular
 Cancer

Dec 1 Complications of Robotic Surgery
 Sunnyvale, California
 Invited faculty
 Lecture: Complications of Robotic RPLND

Training and Teaching

March 23 Surgeon Lecture Training Program
 Lecture and case observation for robotic partial nephrectomy

 Samit Soni, MD Houston, TX
